METHODOLOGY

The survey results contained in this document are based on HYA's research related to superintendent leadership standards. The survey addresses both district performance and desired characteristics of the superintendent in relation to the following areas:

- Vision and Values (VV) - The leader's ability to provide a clear and compelling vision for the future, align district programs to the broader vision of the district, and uphold high expectations for all stakeholders
- Teaching and Learning (TL) - The leader's ability to guide educational programs, make data-driven decisions, and implement effective instructional change
- Community Engagement (CE) - The leader's ability to be the voice of the district, engage with the community, and involve stakeholders in realizing the district's vision
- Management (M) - The leader's ability to guide operations, manage resources, recruit and retain highly effective personnel, and create an equitable accountability system for all employees

Through the understanding of stakeholder's views regarding the state of the district and the desired profile of the next superintendent, this report will help the district prioritize the desired characteristics of the superintendent in a way that will advance the priorities of the community.
